Dear Dr. Chitale:

Thank you for your letter of August 14, 2003, forwarding the executed declaration. In response to the Notice to File Missing Parts dated June 10, 2004, we filed the declaration as well as the filing fees in the U.S. Patent and Trademark Office on July 28, 2004.

Please send copies of any potentially material prior art references of which you may be or become aware including those mentioned in the specification or discovered in any search so that we may prepare and file an Information Disclosure Statement (IDS). To avoid the payment of a late fee, the IDS must be filed before the mailing of a first official action on the merits or three months from the discovery of the newly-discovered material information. Please also be reminded that it is necessary (1) to submit copies of all citations, and (2) if such copies are not in the English language, to submit an English language equivalent or a translation of the pertinent portions (or at least an English language abstract), or provide a concise explanation of the contents of any such foreign reference (e.g., a foreign country search report).

Copies of papers as filed are enclosed.

Sincerely,

Sheridan Neimark
